## Dimlich Accepts Specially-Created School Job

### EDITORIAL THOUGHTS

#### The Voters Won't Forget

In a panicky reaction to mounting protest in the community, a majority of the School Committee voted Tuesday night to spend another \$7,400 of the taxpayers' money in creating a special job for Ben Dimlich.

The money is not specifically included in the budget. Nor to the best of our knowledge had the position been contemplated prior to a determination by the majority that some kind of job was needed for the individual.

This appears to have been a plain case of kicking the man upstairs, with disregard for the taxpayers.

And in accepting the job specially created for him, Mr. Dimlich does himself little credit. Hundreds of men and women who supported him on principle were left hanging in mid-air when he suddenly accepted the position, following a series of hurried meetings Monday night and Tuesday.

Thus the people who thought they were supporting a principle worked for naught.

Throughout this episode, the School Committee's light shines very dimly indeed, even though a majority won its point.

We have objected to the majority's procedure in the entire matter, and even more so now that a new job has been created which will no doubt go on indefinitely at an increasing salary.

The voters should recall this unhappy episode when they go to the polls in the future.

### DAR Plans To Dedicate Plaque

Priscilla Abbot Chapter, N.S.D.A.R., will hold a special meeting Tuesday, April 12, when a plaque will be unveiled and dedicated at the Deacon Isaac Abbot Tavern, 70 Elm st., now the home of Mr. and Mrs. Ernest Young and family.

This house was the home of Priscilla Abbot, daughter of the tavern keeper, for whom the Chapter is named.

Members of patriotic organizations in town have been invited as well as some of the town officials, school representatives and out of town guests from neighboring Chapters. The Rev. J. Allyn Bradford, pastor of the Free Church, and a descendant of Governor

### Bloodmobile At South Church

The chairman of the bloodmobile residential drive, Mrs. James Hamilton and Mrs. George Brightman, report that their many hard-working volunteers have almost completed their job of registering blood donors.

The Red Cross hopes to collect 150 pints of blood each day of the two-day bloodmobile visit at the South Church next Tuesday and Wednesday from 12:45 to 6:45 p.m. Mrs. William N. Perry, Mrs. Roger Whitcomb and Mrs. P. W. Moody are now assigning times to the registrants and mailing appointment cards.

Mrs. Perry says that babysitters will be provided at the church, and transportation for those requesting it will be arranged by Mrs. Leon Field. Unscheduled walk-in donors are always wel-

### Wennik Insisted That Acceptance Be Told

The School Committee created a special administrative post for Benjamin F. Wennik at Tuesday night's meeting, and announced that Mr. Wennik had agreed to accept it.

During a session in the Central Auditorium before 84 spectators, the Committee voted to create the job, to offer it to Mr. Wennik, and to pay him \$7,400.

The job, listed as administrative assistant, includes the following major responsibilities: supervision of custodial staff, supervision of maintenance and operation of buildings, supervision of transportation, supervision of health program, supervision of Evening Practical Arts program, supervi-

sion of summer school program in 1961.

In recommending the creation of the job, Supt. Edward L. Erickson cited the growth in the school population, the extensive plant now in use and additions that may be required to it in the future.

School Committee Secretary William Doherty objected to the measure. He explained his opposition as being in part financial - stating that close to \$30,000 in top administrative salaries will be paid out. Commenting on the new job, he said "I don't see any reason for it except for some people to save face and it's not justified".

### DATA NEEDED BY SOUTH SCHOOL

Parents of youngsters who will enter the kindergarten at the South School next fall are reminded that they must provide information to the school prior to May 4.

Principal Lionel Goulet requests that the child's name, address, date of birth and father's name be submitted. Parents will be notified by the school about interview schedules.

The Catholic Daughters of America, Court St. Monica, sponsored a Poetry Contest for all children in Grades 5 to 9 at St. Augustine's School.

The happy recipients and prize winners were presented with their gift at the School Assembly March 31.

Eleanor McCann, grade eight, received the Junior High Prize and her sister, Deidra McCann, grade five, received the prize for the Elementary Division.

### Many Apply For Lone All-Alcoholic License

At least 10 individuals have filed applications for an all-alcoholic package store license, if one becomes available when final federal census figures are reported.

It has been commonly assumed that one license will be available, based on the increase in population since the last state census.

The up-to-date file in the Selectmen's office contains a list of 12 names - with the date of the application noted.

Although some date back to early 1957, there has been no indica-

tion of the procedure the Selectmen will use in selecting the successful applicant.

It is known, however, that pressure has begun to build up in the community, as various applicants - and possibly others who have given no written notice of their interest - have begun to seek support among the five Selectmen. They sit as the municipal licensing authority.

As yet, there has not been a definite statement as to when the official census report will be available. One official involved in the census has been quoted as believing that a report will be received by late June, citing populations for all

### Will Enforce Dumping Laws

Rigid enforcement of laws prohibiting dumping on public ways has been promised by Town Manager Thomas E. Duff.

He warned all residents that police inspection in the town, specifically around the general area of the dump on Chandler rd., will be continuous. Violators of the statutes will be taken into court, he stated, as permitted in the law.

The maximum fine is \$50, the statute states, and it also indicates that, after conviction, the registrar of motor vehicles may suspend the license for 30 days and the registration for a like period, if the violator is the owner of the car.

The law states that dumping will not be allowed on, or within 20

**Newcomers Plan 10th Anniversary**

The Newcomers' Club of Andover is hard at work these days completing arrangements for the gala 10th anniversary dinner to be held Saturday evening, April 30, at the Andover High School Cafeteria.

Mrs. Allyn B. Sears of Lowell st., chairman of the Alumni Committee, is being assisted in the sale of tickets by Mrs. Robert McAnern, Mrs. John Urba, Mrs. Thomas Puglisi, Mrs. Donald Sagaser, Mrs. Lester Newell and Mrs. Raymond Durham.

Mrs. Allyn Stillman of Gould rd. is in charge of the sale of tickets to current members and reports

that the following are working with her: Mrs. Louis Anderson, Mrs. Herbert Lake, Mrs. John Gearin, Mrs. Bert Churchill, Mrs. William Mahoney, Mrs. William Chicoine, Mrs. Joseph Cherry, Mrs. Paul Gyrsting, Mrs. C. H. Leigh and Mrs. W. J. Mackie. Because of the interest in this affair and because of the fact the supply of tickets is limited, Mrs. Stillman urges any interested member to make reservations promptly.

Mrs. H. Allison Morse of Foster cir., honorary chairman of the Club, will also be willing to reserve tickets for either past or current members.

In order to facilitate distribution, tickets may be obtained from the following: Andover Gift House, Hill Hardware, Dalton Pharmacy and Elm Farms.

**Presented Book On Natural Resources**

The Merrimack Valley District of the Council of Greater Boston Camp Fire Girls joined citizens all over the nation this week in observance of National Library Week, when they presented copies of a new Camp Fire Girl Conservation Book to the Memorial Hall Library, Andover; Stevens Memorial Library, North Andover, and the Lawrence Library.

The conservation book, which will now be available to the residents in each of the communities is currently being used in the Camp Fire Girl national Golden Jubilee project "The World Around Her - She Cares - Do You?"

Camp Fire Girls across the country will make similar presentations this week and the local gifts are replicas of the conservation book given to President Eisenhower. A valuable handbook on conservation whys and wherefores, the book was prepared by the national

staff of Camp Fire Girls in cooperation with many experts from federal and state government conservation agencies, private conservation organizations, and university conservation departments. It has been hailed by leading authorities in the conservation field and local members of the Merrimack Valley District are very proud of the fact that they are able to make these presentations during National Library Week.

Since the founding of Camp Fire Girls 50 years ago, "love of the out-of-doors" has been one of the stated objectives of the National Council. The use of this conservation manual by local members as well as the general public will certainly further this part of the educational-recreational program of Camp Fire Girls, Inc.

**Is Bannister Rd. Accepted Or Not?**

James A. MacMillan of Bannister rd. and town officials just can't agree on one point - whether the road is an accepted street. Town Counsel Fredric S. O'Brien told the Selectmen Monday that the street is not accepted, as it cannot be found in the town clerk's records.

Mr. MacMillan, who wants the town to fix up the street, produced excerpts from old town reports to indicate that the street is accepted. He stated that back in 1904, the town voted to have a list prepared of all accepted streets, specifically eliminating those that were not then accepted. He claimed Bannister rd. remained on the list - indicating its acceptance prior to that year.

However, the municipal officials have agreed that, without confirmation from town records, the street can not be considered as accepted.

And Mr. MacMillan was advised to be patient and await possible town assistance in fixing the road when dry weather is here.

Due to possible legal complications involving a drainage dispute in the neighborhood, Town Manager Thomas E. Duff said it is impossible for the town to become involved without also becoming a

He reminded MacMillan, however, that plans for Dascomb rd. reconstruction will call for a catch basin at the end of Bannister rd., which may materially help the situation. And he suggested that MacMillan might run his driveway down towards Dascomb rd., to avoid the wet and disagreeable condition.

**Ernest Hall Will Be Clerk Of Works**

Ernest N. Hall, building inspector for the town, has been appointed clerk of the works for the Library addition.

Hall will receive \$3 hourly for his work as clerk, according to Town Manager Thomas E. Duff.

The Selectmen approved the action, following an explanation which indicated that Mr. Hall will have about two hours of available time each day. If required to spend additional time evenings or Saturdays, the rate of pay will be the same.

Mr. Duff recalled that Hall has recently resigned as executive director of the Housing Authority, freeing him for the clerk's post. The hourly rate is the same as paid for his services as inspector.

towns and cities over 10,000. Whether this would be an official report, on which the town could act in terms of a new license, isn't established.

The applicants on file in the Selectmen's office, and the dates of their applications as noted there, follow:

Lee E. Noyes, 8 Cedar rd., Jan. 2, 1957; Clinton D. Shaw, Wildwood rd., Jan. 5, 1957; Harold Rutter Jr., 211 North Main st., July 2, 1957; George H. Winslow, Henderson ave., April 4, 1958; Mary Misenti, 26 Juliette st., Feb. 20, 1959; William Stewart Sr., 12 Brechin ter., Sept. 16, 1959; James E. Coleman, 87 High st., Oct. 19, 1959; Gregory P. Christie, 10 Lockway rd., Dec. 4, 1959; William A. Schlott, 35 Sunset Rock rd., Dec. 21, 1959; Fred Yunggebauer, 1 Elm st., Dec. 28, 1959; and Franz Variety Store, Jan. 4, 1960.

Although commonly referred to as applications, the requests on file with the Selectmen do not take the specific form of "applications" as required for official purposes.

Town Clerk George Winslow indicated this week that normal procedure is to file an official application, which is advertised in the newspaper and then is discussed by

the licensing authority. If opposition develops, a hearing is called, following which a decision can be made.

He agreed that it is possible for all interested individuals to file such applications - but indicated that until there is an official statement from the census bureau, there can be no such official action taken. If every interested person files such an application, the Board would then normally be faced with choosing one to receive the license.

## DUMPING LAWS TO BE ENFORCED

(Continued from Page One)

yards of, a public way, nor on private property unless permission is given by the owner.

Duff said full cooperation will be given the drive by the police department, who will keep a careful watch over areas where dumping has been observed in recent weeks.

The subject came up at the Selectmen's meeting Monday, when Selectman Russell G. Doyle told his colleagues of a case of illegal dumping that happened on the past weekend. It was also reported that several piles of refuse - all in the general neighborhood of the town dump - have been identified as to ownership, and residents notified not to leave trash outside the official dumping area.

The Selectmen were quick to agree that violators should be taken to court, in an effort to eliminate the piles of refuse from public ways.

Selectman James D. Wilson suggested that the dump be opened Sundays, when many of the violations seem to occur. And Selectman William Stewart agreed, providing the dump is moved somewhere else. It has been a long-standing contention of neighbors that the dump should be closed on Sunday - because at least one day should be free from the trash that accumulates on lawns and the side of the streets in the area.

The Board also considered the possibility of fencing in an open side of the dump off Ledge rd., because some persons walk in and leave the trash - but not in the proper section of the dump.

During normal opening hours, the dump is supervised and residents are directed to put refuse in specific places, where it can be burned or covered. Refuse left in various spots makes it difficult for others, with cars, to get to the proper sections of the dump, it has been explained.

## FINAL CLASSES

The final November Club Assemblies dancing classes will be held today.

These will make up for classes cancelled because of the March snow storm.

## DIMLICH ACCEPTS CREATED JOB

(Continued from Page One)

mented that he objected to the new job when it was first suggested two weeks ago, and is still opposed to it. Member John Sullivan suggested that the new position would be valuable, and cited other systems where this sort of administrative job exists.

Assistant Supt. John P. Gainey told the gathering that this type of job is perfectly defensible in a system such as Andover's.

On Mr. Sullivan's motion and a second by Mrs. Reta Buchan, the motion was put to a vote. Doherty and McIntyre were opposed, and Dr. Milton Meyers, the chairman broke the tie in favor of creating the job.

On the matter of filling the post, Supt. Erickson recommended Mr. Dimlich; Mr. Sullivan made the motion and it was seconded by Mrs. Buchan. Mr. Doherty audibly voted no, and the chairman declared the motion carried on the strength of the aye votes from Mrs. Buchan and Mr. Sullivan.

The announcement that Mr. Dimlich had already agreed to accept the job, if it was offered to him, came to light after most of the spectators had left the hall.

Harold Wennik rushed up to the stage and loudly insisted to Dr. Meyers that "You promised to tell them". After insisting that the crowd be "told", Wennik accused Dr. Meyers: "You're double crossing me". After prolonged

discussion in the hallway, Dr. Meyers returned to the stage and made the announcement, waiting for Mr. Wennik to round up all those spectators who remained in the corridors.

Mr. Wennik's role in the proceedings were not clarified, except that Mr. Erickson revealed that he and Mr. Wennik had a meeting Tuesday morning to discuss the new job and Mr. Dimlich.

Later in the evening, Dr. Meyers said he had a call late Monday night from "a representative" of Mr. Dimlich, who inquired about how arrangements could be made for Mr. Dimlich to enter into discussions about the new job.

Meyers said he informed the "representative" to get in touch with Supt. Erickson Tuesday morning. He said he personally called Mr. Erickson early Tuesday to relate the circumstances and apologized for perhaps getting Erickson out of bed at such an early hour.

Meyers said he kept in touch with the situation and called members of the Committee during the day to tell them the developments.

His explanation came after member McIntyre questioned the procedure of having matters discussed by less than a full board. He commented that he didn't know anything about any arrangements or any conclusions until they had been worked out and he was asked on the telephone to consider them.

He suggested that in the future members of the Committee and interested administrative personnel should all be included in any discussion that leads to a decision.

Dr. Meyers insisted that there had not been a decision, other than the one made two weeks ago to find a job for Mr. Dimlich.

During this discussion, Erickson told the Committee he did not appreciate portions of a statement read to the larger gathering by Dr. Meyers. Erickson said he thought the statement tossed the Dimlich decision back into his lap and he didn't like it.

The large meeting heard relatively few speakers. At the outset, Dr. Meyers said he would allow no questions, just statements if anyone wished to make them.

One woman wanted to know how a statement could be made until facts were elicited, but was told that the Committee had agreed not to answer questions.

It was during this portion of the meeting that expressions of support for Mr. Dimlich, towards

his retention of the principalship of the Junior High, were made.

Miss Cynthia Noone of the Teacher's Association read a telegram from the Massachusetts Teacher's Association, which offered support and to pay 90 percent of legal costs, without any maximum. She told the gathering this is unprecedented, because the usual support is 50 percent and with a maximum expenditure.

Other speakers referred to petitions circulated in Mr. Dimlich's behalf.

Fire Chief Henry L. Hilton delivered a letter from the Town employees' Association, giving its support to Mr. Dimlich in his intention to retain his principalship.

At one point, Dr. Meyers read to the gathering from the open meeting statute, under which he said he had authority to clear the hall if spectators did not properly ask for recognition, or if they broke into the discussions. At various times there were audible comments from the audience, and a smattering of hisses and boos from some.

Defending the majority of the Committee was Henry Wolfson, who said he didn't feel that anyone should attack the integrity of the individuals. Rather, he suggested, there should have been a calm discussion. He said, while it is possible that an error in judgment could have been made, he didn't personally know enough about the situation to determine this. But he again insisted that the integrity of the members should not be questioned.

The full job description on which the Committee voted Tuesday night spells out other duties of the "administrative assistant". It reads:

"The Administrative Assistant shall report directly to the Superintendent of Schools and he shall be concerned primarily with the following functions:

"Supervision of the Custodial Staff.

"Supervision of Maintenance and the Operation of the Buildings.

"Supervision of Transportation.

"Supervision of the Health Program.

"Supervision of the Program of Evening Practical Arts.

"Supervision of the Summer School Program (1961).

"Section I. He shall study present conditions and practices and recommend desirable improvements to the Superintendent of Schools.

"Section II. He shall appraise the work of the personnel involved and submit a written report, at least once a year, to the Supt. of Schools.

"Section III. He shall confer with the Superintendent at times that are necessary regarding his activities, and the achievements and needs of his office.

"Section IV. He shall be assigned other duties by the Supt. of Schools which are in the best interests of the school system (e.g. new construction)."

## 97th Birthday For Mrs. Cole

Last Sunday, April 3, Mrs. Irene Whittier Cole, 115 Elm st., reached her 97th birthday.

Although she has been in failing health for several months, she was able to sit up in a chair in her room and receive the friends and relatives who called to wish her a happy birthday.

She has lived in her present home on Elm st. over 70 years and has been a member of the South Church all of those years. Her oldest daughter, Mrs. Ada Brown, lives with her.

She has four other children, Mrs. Arthur R. Lewis and Arthur W. Cole, both of Andover, Ralph K. Cole of Methuen and Mrs. Charles F. Smith of Reading. She also has seven grandchildren and 10 great grandchildren. Mrs. Cole was next to the oldest of a family of 11, all of whom are deceased except the youngest member of the family, Mrs. Fred Duston of Salem Depot, N. H.

Mrs. Cole received many gifts of flowers and cards and birthday cakes to remember the occasion.

### AIRLINES SCHOOL

John B. Caldwell, 2 North Main st., has been accepted for training at the Bay State Academy Airlines School at Boston, Massachusetts, according to a recent announcement by Louis F. Musco, President of the School.

## Dr. Stiegler To Retire In April

The retirement this month of Dr. Harold W. Stiegler, for the past 14 years director of research at the American Association of Textile Chemists and Colorists, was marked by a dinner in his honor attended by many associates and friends.

Dr. Stiegler, who lives at 148 Salem st., with his wife and daughter, received B.S. degrees at Lowell Technological Institute (then Lowell Textile Institute) and Massachusetts Institute of Technology, and the M. S. and Ph.D. degrees at Northwestern University. He engaged in industrial research at the American Woolen Company, National Aniline & Chemical Company, Cheney Silks, Rohm & Haas Company's Textile Division, and American Cyanamid Company, prior to his affiliation with the A.A.T.C.C. which maintains headquarters at Lowell Tech.

In World War II, Dr. Stiegler held the rank of lieutenant-colonel in the Office of the Chief, Chemical Warfare Service of the U.S. Army, with which branch he was also associated in the first World War. His many honors and publications are listed in Who's Who in the East.

### ACCEPTS POSITION AS PLANT SUPT.

Parker B. Holden, who has been connected with the Tyer Rubber Co. for several years, has accepted a position as plant superintendent of the Ames American Co. of North Easton. Mr. Holden, who resides on High Plain rd., commenced his duties Monday. The family will maintain their home in Andover for the present time.

If you want to know about a local "growth" business where you can put some money and actually SEE it work for you, the answer's simple.

1. Buy a few shares of Andover Consumers Co-operative stock at \$5. Not that the stock is going up — it isn't. But 5% is a good return and it will give you pride of ownership in Andover's most diversified and democratic business enterprise.

2. Shop CO-OP. As a member you will get a refund on all your purchases. This year we refunded 3%. If you buy \$1000 worth of food (and what family doesn't?) your purchases refund could amount to \$30 in CASH. And you also save as you shop.

3. Invest some money in the CO-OP'S Expansion Program. Loans to our Building Fund will pay you 5% interest. But do it NOW.

AS A RESULT, you will collect 5% on your shares, probably 3% on your purchases, and 5% on your loans.

Sound good? Better see our manager THIS WEEK. Loan money is coming in fast.

## EDITORIAL THOUGHTS

### Rubbish Is A Problem

Municipal collection of rubbish may not be far away, if we read the cards correctly.

There has been increased emphasis on this municipal service in recent years — with town meeting denial coming by a smaller majority each time it is presented.

And the problems being faced by many homeowners in using the dump would appear to give an added push in the direction of town collections.

The Selectmen are continually faced with the various factors involved in controlling the dump — hours, unsightly conditions, improper dumping, use of surrounding areas for after-hours dumping; and must also provide for proper and continuous supervision and maintenance inside the area.

The inability of some residents to get to the dump on weekdays, a perfectly logical occurrence for those whose work week extends into six days, further complicates matters. They either dump in the surrounding area, or are forced to pay for collection at their homes.

We completely sympathize with residents in the surrounding neighborhood who are opposed to the dump being open Sundays — the litter dropped on the streets and on their lawns is bad enough on week days. But certainly closing on the Sabbath is an added reason why residents will certainly move in the direction of municipal collections.

It's probable that the next article to authorize the town to provide rubbish collection will be approved at town meeting.

### Common Sense

The Selectmen used a lot of common sense in deciding to promptly change the town's parking meters to pennynickel usage.

There has been a constant demand for this action, both by merchants who feel the five-cent meter discourages business and from individuals who do not wish to spend the nickel for an abbreviated period of time.

This change will not be reflected in greater income, and may actually represent a cost in terms of extra counting time. But this will be offset by the added service to townspeople who wish to shop.

### Class Play Well Received

A thoroughly enjoyable evening was provided for many townspeople last Friday, when the senior class at the High School presented "I Remember Mama".

The young thespians portrayed their characters well, and the production moved smoothly, combining to present an entertainment that was appreciated by all in attendance.

A tremendous amount of hard work goes into a production of this type — with much of the essential behind-the-scenes activity subordinated to the final impression made by the cast on-stage.

Our heartiest congratulations to all those who took part in this activity — both the actors who did so well and the many who worked back-stage.

### Down the Years with The Townsman

#### 50 Years Ago — April, 1910

Miss Ernestine Soehren has returned from visiting her brother in Providence.

Mrs. Charles G. Hussey's is visiting her sister in Harvard.

Carl H. Dresser has purchased a new touring car.

Brooks F. Holt discovered this morning that some time during the night a thief visited his barn. A bay mare, an open buggy, harness, lap robe and whip — in a word, a complete outfit — had been stolen from the premises.

Mrs. John V. Holt was elected president of the Tuesday Club at the meeting last Tuesday.

Rep. Samuel H. Boutwell voted in favor of the "Bar and Bottle" bill on its final passage to be engrossed in the House of Representatives last week, thus endearing himself to many Andover temperance supporters.

#### 25 Years Ago — April, 1935

A fiery hearing was held at the state house last week on the bill to establish a state school for the feeble minded on land in West Andover. It is expected that the Committee will issue an unfavorable report on the bill.

Combination 2 of the Fire Department is back in repair now, after breaking down while on a fire run to Old County rd. last Sunday. Two new blocks were needed, and repairs cost \$400 on the 21-year-old piece of apparatus.

A wet, slushy snow pasted itself all over the landscape Tuesday and Wednesday, as Old Man Winter gave out with his dying gasp. The storm, with gale-force winds, blew in suddenly Tuesday, and it stormed throughout the day, the night, and half of Wednesday. State plows were out, but local plows were not. By Thursday, the roads were nearly bare and one couldn't tell which had been plowed and which had not.

The ERA allotment this month is \$1,000 less than last month, indicating that a curtailment of the projects must be undertaken.

The second annual business exposition, sponsored by Post 8, American Legion, will conclude tonight at 10.

Burton S. Flagg, president of the trustees of Abbot Academy, received Monday an embossed copy of the bill which increased the size of the Board of Directors of the

Academy. Rep. James P. Donnelly of this district also presented him with the quill used by Governor Curley in signing the bill.

#### 10 Years Ago — April, 1950

The Townsman this week appears in its "new and modern dress", being printed by the offset method, and using a Vari-Typer for composition.

Police and firefighters, who helped save the life of a Shawshen girl after she nearly drowned in a pool a week ago, were special guests at her birthday party this week. Guests also included many of her small playmates.

Punchard High School's entrant in the 19th annual drama festival at Hingham won the highest award, "Excellent", and two of the cast were chosen for the all-state cast that will enter into the New England festival later this month.

A Shawshen child was fatally injured last Saturday morning, when he came in contact with a produce truck being driven into Kenilworth st.

March building permits were valued at \$171,600. This total is more than the combined totals of the first three months of last year.

Movies of activities in the community will be shown, following the second Legion-sponsored supper Monday. Many of the veterans will be interested to see the movies, which were taken while they were away.

### Meters Reverting To Penny-Nickel

An impromptu hearing on penny parking meters at the Selectmen's meeting Monday night was followed closely by a decision to change the present five-cent meters to pennynickel meters.

The Board thus adopted a policy urged by the Board of Trade at a meeting a week ago, and one that has been favorably discussed by many residents during the past few weeks.

The hearing Monday night came when Selectman Russell G. Doyle asked a roomful of men and women — present on another subject — whether a return to pennynickel meters would meet citizen approval. There was a murmured assent, and the official vote followed.

Town Manager Thomas E. Duff reported that 225 meters are presently in use — 79 of them on Main st.

He also recommended the change, commenting that both merchants and citizens seemed to desire it. He explained that the combination gave each individual an opportunity to choose whether to insert a penny or a nickel.

The vote of the Board has been sent, as required by law, to the state Department of Public Works for approval. Following receipt of notice from the state, it is anticipated that the changes will be made speedily.

#### CHURCH FILLED TO CAPACITY

Last Sunday morning the West Church was filled to capacity to greet the Rev. Howard Andrews as new Pastor of the church. Lawrence Assembly 15 of the Order of Rainbow Girls gathered for their obligation Sunday in honor of the April 6 birthday of their founder.

The flowers on the Altar were given by Mr. and Mrs. Robert J. Scribner in memory of their fathers, Henry C. Archibald and Samuel H. Scribner.

#### National Library Week

There are a few days left in this National Library Week for those who planned to make a visit to the library but have been sidetracked. Many friends, old and new, have made that "extra" little visit during the days just past, some to take time for the new books on display in both main reading room and in the Children's room, some to go up to the main hall to see the exhibit of Andover manufactures. Tuesday morning, the library had an informal coffee hour for local businessmen, with an additional attraction of a display of new books on various phases of business.

Mrs. Alexander Crane, in her position as chairman of the Town Committee, has contributed her thought and her support to the various projects which the library is conducting. Mrs. Dudley Fitts and her committee in charge of the exhibits in the upper hall are to be congratulated on the successful program which they planned, promoted and publicized.

A very pleasant contribution to the success of the week has been the series of flower arrangements of the Andover Garden Club, under the chairmanship of Mrs. Mitchell Johnson Jr. Striking and charming flower arrangements were placed about the main reading room and in the Children's room, the work of Mrs. George Laaff, Mrs. Sumner Robinson, Mrs. Henry Van Zandt, Mrs. Ralph Hill, Mrs. Foster C. Barnard and Mrs. Johnson.

The Ballardvale branch library has shared in the observation of this nation-wide attempt to promote books and reading in America. New books have been put out for readers of that community, all of which may be reserved. School libraries have posted notices of library activities and displayed the colorful posters; members of the faculties have supported the theme in their work with students.

Individual book exhibits include science materials, on view in the hall, business books in the main reading room, Notable Books, titles which were of outstanding excellence selected by a national committee from the thousands of books published in 1959, and an unusual "work process" display in the vestibule. This was the work of Mrs. John Wilson, of the library staff, and shows the number of processes through which a book passes in a library while it is making its way from the publisher to the patron.

The library extends its sincere thanks to all who have in any way contributed to the success of National Library Week. Perhaps these words of one member of the

national steering committee explain their willingness to share in the work of this annual spring observation: "Library Week offers an opportunity to unite with all other interested elements of the community to stress those endearing values of goodness, beauty, wisdom and understanding which are so essential to the survival and growth of a free civilization. No one could ask a greater privilege than to share in a program like this."

#### College Opens Laboratory

Near-by Merrimack College has offered to share in the observation of National Library Week by opening its new Language Laboratory to adult visitors Saturday morning, April 9, from 10 a.m. to 12 noon. Prof. Paul Lomardo of the Language Department will be on hand to explain the equipment and answer questions. The Laboratory is in O'Reilly Hall, Room 101. Mr. Frank Seegraber, librarian of the college, extends this invitation to those who enjoy seeing new developments in teaching methods.

#### Story Hour

The story hour for boys and girls Tuesday afternoon, April 12, at 3:35 o'clock, will have as its theme "Galloping Horses". Among the stories to be told will be "The Golden Horse", "The Phantom" and "Paul Revere's Ride". Books about horses have had an amazing popularity in recent years; it is expected that this story hour will draw a large audience of boys and girls. Parents are reminded to allow a full hour for all programs of this nature.

#### Egg Tree

The Littlest Listener groups of Andover and Ballardvale are joining in the annual "egg tree" project. The Cardinal group were the first to color blown eggs; next hang them on the tree branches in the Children's room, Wednesday, April 13, the Robins will contribute their colorful decorations, and the following day the Ballardvale group will have a tree in the branch library.

Anyone may join in the special "Egg Tree Contest", in the Children's room of the main library. Eggs, decorated according to one of three types suggested on the list of printed rules, will be accepted at the library from April 6 until noon Saturday, April 16. Judging of the entries will be done Saturday afternoon. Prizes will be awarded at the Egg Tree Day Program, to be held this year Monday morning, April 18, at 10:30 o'clock. There will be stories and two movies shown before the prize winners are announced. All interested are invited to pick up a sheet of the rules at the library this week.

### What Our Readers Say—

To the Editor of the Townsman: "As a frequent user of Merrimack Hall Library, may I congratulate you on the fine series of pictures about the Library in last week's Townsman? As you state in your editorial, 'A Library such as Andover's is a priceless asset.' I certainly echo that viewpoint and would like to add 'Our libraries are excellent and extremely useful'."

"It was a pleasure for me to see the pictures and to read the article and editorial. Congratulations on this fine piece of work."

Mrs. A. M. Campbell

### Cadet Dolan Chosen As Best Speaker

Cadet John F. Dolan was named "best speaker of the tournament" following the annual Flint Junior College Freshman-Sophomore debate tournament in Flint, Michigan, recently.

**Waiting For Data On Shop Center**

Additional details and answers to specific questions are being awaited, before the combined town boards will make up their minds on a proposed shopping center in West Andover.

This decision was reached following a long hearing, at which representatives of the A. J. Tambone Co. explained some details of the plan for an area at the Tewksbury line on Lowell st.

Nathaniel Hamblin, a planning consultant with extensive background in the location and management of shopping centers, discussed the project with the boards and interested residents. Atty. Charles Hatch represented the firm and opened the discussions.

In general, specific answers to questions regarding water, sewage and the location of buildings on the large site were apparently not answered to the satisfaction of the boards.

Mr. Hamblin said it is necessary to have an area zoned before buildings can be specifically located. He said it is the present intention to have about half of the shopping center in Andover, but admitted that probably it will be entirely in Tewksbury if the re-zoning does not take place.

Some residents questioned the planner extensively, as did members of the various boards. During the general discussion it was noted that Mr. Tambone could not be present at the meeting. And on several occasions, Mr. Hamblin noted that he could not speak for the developer in terms of guaranteeing that certain details would take place.

ROBERT WATTERS

Robert Watters, son of Mr. and Mrs. Robert A. Watters, 5 William St., a student at Boston University, College of Liberal Arts, has been elected president of the university's military honor society, Scabbard and Blade, K Company, Sixth Regiment, for the academic year 1960-61.

Mr. Watters is a graduate of Phillips Academy with the class of 1957, where he was a member of the Spanish Club, Blue Key, and manager of the basketball team and varsity baseball.

Construction Jobs  
Now Underway

Field Work, design and the drawing of specifications are going on in connection with top construction projects scheduled for completion here this year.

Town Manager Thomas E. Duff said he anticipates that work on the trunk sewer line from Riverina rd. to Essex st. will be finished this year, with bids possibly going out early in the summer. Design and specification work on this project, voted at town meeting, are being handled by Camp, Dresser and McKee.

The water line authorized for Shawheen Heights is also in the design stages, with the same engineers getting this project ready for bids.

Camp, Dresser and McKee are also doing preliminary design work on the outfall sewer and the relocation of sewer and water lines in connection with the construction of Route 110.

Field work is continuing, the manager explained, in the Haggitt's Pond area, as the first step in constructing the dike at Doyle's Cove. This project also was approved by the voters at town meeting.

As reported a week ago, consulting engineers for the state are surveying the Roger's Brook section from Whittier st. to Highland. This section will be included in the over-all brook construction project.

A decision on the authorized drainage survey will be put off, the manager said, until it is determined how much of the area is to be drained by Roger's Brook. Several estimates for the drainage survey have been in the manager's hands for some time, awaiting the outcome of town meeting and the final determination of an area of the town to be surveyed first.

CONTRACT AWARD  
FOR RAYTHEON

Congressman Edith Nourse Rogers has announced that a contract has been awarded by the Boston Ordnance District, Boston, to Raytheon Company, for 22 battery sets for the Hawk Ground Support System. The amount of the contract is \$12,499,147. The work is to be performed in Andover.

Scouts Qualified  
For Badges

Boy Scout Troop 75 held its regular weekly meeting March 30 in St. Augustine's School Hall.

An impressive opening ceremony was directed by Senior Patrol Leader Joseph McEaney, who gave the opening prayer; Bruce Gagne led the recitation of the Scout Law and Philip Noury, the Salute to the Flag.

Plans for summer activities and a day hike to be held next Saturday were discussed. Scoutmaster McAllister relayed an invitation from troop 70 to view some movies on aspects of scouting and announced that the troop would go to Camp Onway during the week of July 17. Any fathers who are willing to spend the week with the troop at Onway are cordially invited to do so, he said.

The instruction period was directed by Mr. McAllister, Assistant Scoutmaster William Willets and Junior Assistant Scoutmasters Randy McAllister, Bill McCarthy, John Cussen and John Milne. A game period followed and the meeting ended with the scoutmaster's benediction.

After the meeting, the Board of Review examined and passed William Barrett on his proficiency in the requirements for First Class Scout. Mike Bergeron and Richard McIntyre successfully qualified for the tenderfoot badge. These scouts will be promoted to their new rank at the Court of Awards next week.

Woman's Union Will  
Hear Mrs. Sargent

The regular meeting of the Woman's Union of the West Church will be held next Wednesday afternoon in the church Fellowship Hall at 2 o'clock.

Dessert will be served by Mrs. Arthur Lewis, Miss Florence Gilman and Mrs. Dwight Grant. The speaker of the afternoon will be Mrs. John Sargent, wife of the former interim pastor of the Church and her subject will be "She Hath Done What She Could". Mrs. Sargent is Missionary Education Chairman of the National Fellowship of Congregational Christian Women, comprising 800,000 women, and she speaks to us with a wide knowledge of her subject.

## Weddings . . .

### SULLIVAN - CALLAHAN

Miss Mary Anne Callahan, daughter of Mr. and Mrs. Thomas J. Doherty, 15 Arundel st., became the bride of John N. Sullivan, 4 Tower Hill st., Lawrence, son of Mrs. Marion Sullivan and the late Atty. Daniel J. Sullivan, at a 4:30 p.m. service in St. Augustine's Church, March 13.

The Rev. Thomas J. Tevington, O.S.A., officiated at the ceremony. Arrangements of white carnations adorned the altar.

The nuptial music was sung by Michael Harding, accompanied by Miss Mary F. Lanigan at the organ.

Escorted by her father, the bride wore a Chantilly lace gown fashioned with a Sabrina neckline outlined in reembroidered cut lace. Her bouffant skirt featured a full chapel train. She wore a French tulle veil caught to a tiara of pearls and she carried a cascade of white roses with Stephanotis.

As the matron of honor, Mrs. Edward Dennis Sullivan wore a street length purple velvet outfit with a matching headpiece attached to a nose veil. She carried an ar-

angement of white roses and violets.

Edward Dennis Sullivan served as best man. The ushers included Charles Fleming and Joseph Pageau, both of Lawrence.

On return from a wedding trip to New York city, the couple will reside temporarily in Andover.

The bride is a graduate of St. Mary's High School and Katharine Gibbs School. She also attended Regis College.

Mr. Sullivan, a graduate of Lawrence High School, attended Colby College and is presently a member of the Class of 1961 at Boston University. He is a U.S. Army veteran.

### BUCKLEY - SIVIER

Frederick H. Buckley of Ballardvale, former member of the armed forces, and Sonia Sivial, telephone operator in Bognor Regis, England, were married Saturday March 12, at South Bersted Church in Bognor Regis. They met there last October while Mr. Buckley was on leave from his artillery battalion in Germany.

Mr. Buckley completed his military service, returned to the States and a month ago he went to England. The couple will come to Massachusetts next month to make their home.

Bridesmaid at the wedding was Miss Elizabeth Towse, the young

lady who arranged the meeting between the pair. Also present at the ceremony were the bridegroom's parents Mr. and Mrs. Lionel Buckley of this community, who traveled by plane to England for the wedding.

The bride is the daughter of Mr. and Mrs. R. G. T. Sivial, 326 Chester rd., Bognor Regis.

She wore a ballerine-length dress of white Spanish lace with a pearl coronet and a shoulder-length veil.

She was attended by Miss Janet Eastland, Miss Cynthia Dynes and Miss Towse, all of whom wore mauve slipper satin dresses with French skirts, white picture-hat and shoes and gloves to match.

David Yeatman, the bride's cousin, was best man.

Rev. E. G. Wells, vicar of South Bersted, officiated.

A reception for 60 guests was held in North Bersted hall.

### PERSONAL

Mrs. George Addison, Mrs. James Calder and Mrs. William Wood, all of Chandler ct., have returned from a few weeks' vacation spent with the former's son and daughter, Mr. and Mrs. William Addison of Orlando, Fla.

Mr. and Mrs. Selby Groff have recently returned to their home on Cutler rd., after spending several weeks in St. Petersburg, Fla.

### Teachers Support Tenure Principle

The Andover Teacher's Association, by a unanimous vote of the 110 members present, has asked the School Committee to retain Benjamin F. Dimlich as principal of the Junior High.

The resolution came after short discussion, during which several members took the floor to praise Mr. Dimlich for his professional work as a teacher and school administrator.

The Association has a total membership of 132, out of about 150 teachers.

The attendance March 31, at which the resolution was voted, was higher than ever before recorded.

The resolution read:

"The Andover Public School Teachers Association requests that Benjamin Dimlich be continued in his post as principal of the Andover Junior High School and placed on tenure in that position unless positive proof of 'violation of rules, unfitness or incompetence' can be established. (Art. IV, Sec. II, p. 3, Item 5A of the Rules and Regulations of the School Committee.)"

"This request is made because all the members of the Association who have worked with Mr. Dimlich respect him as an educator and value him as a colleague. They know him to have great ability as an executive, a high standard of fairness in working with both students and teachers, and great wisdom and patience in solving juvenile problems."

"The Andover Public School Teachers Association further requests that action involving the

change of status of personnel in our system be initiated by the Superintendent of Schools and recommended by the Assistant Superintendent as outlined in Article IIA, Sec. IV of the Rules of the School Committee. The Association feels that only such a procedure recognizes the professional stature of the faculty."

### High School Choir To Entertain Grange

The Advanced Choir of Andover High School will provide entertainment from 8:45 to 9:15 p.m. April 12 at the Andover Grange.

Their program will consist of the following pieces: "If I Loved You" Richard Rogers and Oscar Hammerstein 2nd; "All the Things You Are", Jerome Kern and Oscar Hammerstein 2nd; "Bali Ha'i", Rogers and Hammerstein; "Lo, A Voice to Heaven Sounding", Dimitri Bortniansky; "Were You There", Negro Spiritual; and "Jesu, Word of God Incarnate", Unknown.

### Mint Cookies Sold Best

Cookie Mints are far and away the most popular Girl Scout Cookie, according to statistics revealed this week in a report on the sale of cookies in the town.

A total of 21,132 boxes of the mint-type were sold, with the nearest rival, at 13,392, being vanilla.

Mrs. John P. S. Doherty, chairman of the sale, reported that 60,096 boxes of cookies were sold, and she expressed her thanks to all those who took part in the event.

The sale this year exceeded last year's by 5,208.

It appears that the American people are doing their presidential shopping early.

Church in New York was the setting Sunday afternoon, April 3, for the marriage of Miss Katherine Stirling, daughter of Mr. and Mrs. Thomas Luke Stirling, formerly of Andover, of North Tarrytown, N. Y., to James Kimball Dow Jr. He is the son of Mr. and Mrs. Dow of North Andover. The pastor, the Rev. Dr. Leland Henry, performed the ceremony. A reception followed at the Sleepy Hollow County Club. Mr. Stirling gave his daughter in marriage. She wore a gown of ivory

silk peau de soie made on princess lines with long sleeves and chapel length train. Her veil of French illusion was short and bouffant and attached to a tiara of lace and seed pearls. She carried a shower bouquet of white roses, white hyacinths and Stephanotis.

Mrs. William T. Rich 3rd, of Darien, Conn., a former Andover resident, was matron of honor and the bridesmaids were Miss Denise Mortimer of Washington, D.C., and Miss Anne Kittredge of North Andover. They wore dresses of turquoise organza with wide scooped necklines outlined with narrow flange roll collars. The midriffs were crushed belts of the same material which ended in butterfly puffs in back. They wore bandeaux of the same material and

carried bouquets of sterling silver roses, deep blue hyacinths and freezias.

Charles F. Lombard of New York City was best man, and the ushers were Thomas Luke Stirling Jr., brother of the bride, of North Tarrytown, Gordon R. Bennett of Cambridge, and Donald C. Freeman, brother-in-law of the bridegroom, of Belmont.

Mrs. Dow was graduated from Abbot Academy, Bradford Junior college and Hood college, 1959. She is the granddaughter of the late Mr. and Mrs. James A. Stirling of Wilmington, Del. and of the late Mr. and Mrs. Joseph F. Ranger of Holyoke.

Mr. Dow is a graduate of Exeter, Harvard, 1950, where he became a member of the Hasty Pudding Institute of 1770, and of the Harvard Business school, 1959. He is with the Merchants National Bank, Boston. His grandparents were the late Judge and Mrs. Harry R. Dow of North Andover, and the late Mr. and Mrs. Halsey T. Tichenor of Montclair, N. J.

After a wedding trip to Bermuda, Mr. and Mrs. Dow will live in Cambridge.

## Obituaries...

### MRS. MARY A. LAMPREY

Mrs. Mary A. (McDonald) Lamprey, 43 Morton st., widow of Alfred E. Lamprey, died Monday, March 28, at the Valley Head Hospital, Carlisle, following a long illness.

Born in St. John's New Brunswick, Canada, she was a resident of Andover for 25 years and before this made her home in several other sections of Greater Lawrence.

She leaves a son, John A. Lamprey of Andover and a granddaughter Miss Joan Lamprey of Lynn.

The funeral was held Friday, April 1, from the Lundgren Funeral Home, with a high Mass of requiem at 9:30 a.m. in St. Augustine's Church. Very Rev. Henry B. Smith, O.S.A., pastor, was celebrant. James E. Sheard sang "Miserere mei" at the offertory, and the choir sang the Gregorian Mass and "Prayer For A Perfect Life" at the recessional. The organist was Mrs. Thomas Murphy. Burial was in Bellevue Cemetery, Lawrence, where the Rev. James A. Wenzel, O.S.A., conducted committal services.

### ALBERT H. DIMLICH

Albert H. Dimlich, 261 Salem st., died Thursday, March 31, following a long illness. He was 57.

Born in Lawrence, Feb. 10, 1903, he was a resident of Andover for the past 45 years. He was a graduate of Punchard High School and Bates College. Prior to his retirement he taught chemistry at the Brattleboro, Vt., High School.

Surviving are his mother, Mrs. Minna (Bittner) Dimlich; a sister, Miss Marion Dimlich, both of Andover; six brothers, Samuel B., Harold G., Carl F., Philip E., Benjamin F., all of Andover, and Herbert C., of Pawtucket, R.I.; several nieces and nephews.

Private funeral services were held Saturday at 2 p.m. at the funeral chapel of Julius B. Emmert & Sons in Lawrence. The Rev. Robert W. E. MacKenzie, pastor of the Vine Street Methodist Church, conducted the services. Burial was in Spring Grove Cemetery.

## DAR Sponsors Historical Trips

For the past four years, children in the fifth grades of the Andover public schools have been taken on historical tours by members of the Priscilla Abbot Chapter, N.S.D.A.R. They have visited spots of interest in Boston, including Bunker Hill monument, the old battleship Constitution, or "Old Ironsides" as it is familiarly known, the Paul Revere house and the Old North Church.

This year the Chapter is again sponsoring two tours, one for the Central and South schools April 20, and the other for the Shawsheen and West schools May 4. Mrs. Edwin Otto, vice regent of the Chapter, will be the leader of the first expedition, with some of the teachers and mothers of the children to supervise. Mrs. Edward Thompson, secretary of the Chapter, will lead the Shawsheen and West school children.

Over 900 children have had the advantage of these tours, learning at first hand some important historical facts. The fifth grade children are just beginning the study of United States history and, knowing that the American Revolution had its start in many incidents in Boston, the history of that time is more vividly portrayed when the actual places are visited.

The children will go by bus and a small fee will be charged, but this will not prevent any child from going who hasn't the necessary funds.

Mrs. Exelde DesChamps, Natick visited the early part of the week with Mrs. Ernest Combs of Lovejoy rd.

## Club Elected Mrs. Haselton

Mrs. George F. Haselton has been elected president of the November Club.

The annual election took place Tuesday afternoon at the Locke st. clubhouse.

Also elected were Mrs. Dixon B. Penick, first vice president; Miss Evelyn Jenkins, second vice president; Mrs. E. Stephen Prendergast, recording secretary; Mrs. Alexander D. Gibson, corresponding secretary; Mrs. Cleveland Gilcreast, treasurer.

Directors for three years are Mrs. Allen A. Falton and Mrs. Leslie Hutchinson. Mrs. Clinton D. Shaw and Mrs. Frederick Flather will serve for two years. Elected for one-year terms were Mrs. Cyrus Springall and Mrs. Lyman Appleton.

Named to the nominating committee were Mrs. Edward C. Nichols, chairman; Mrs. Preston Blake and Mrs. Edward I. Erickson.

Submitting the report at Tuesday's meeting were Mrs. Ralph H. Hill, chairman, with Mrs. Edward C. Nichols and Mrs. Charles Currier.

## Issued Statement For Majority

A special statement was read to the School Committee, and some 84 spectators, Tuesday night, in which Dr. Milton J. Meyers said he expressed the feelings of a majority of the Board.

He told Supt. Edward I. Erickson later that the statement was prepared Tuesday afternoon.

He also asked that it be reiterated that the Committee majority did not at any time question Mr. Dimlich's integrity in the case.

The statement reads: "The School Committee is charged by state law with the responsibility for public education in Andover. In this connection its most important obligation is to make available to the thousands of young people in this community the best possible education.

"Appointment of principals to assist in meeting this objective is a very serious responsibility of this committee, especially in light of the state tenure law. The majority of your committee believes that tenure appointments

to such key positions in Andover should be made only to those individuals who have demonstrated beyond any reasonable doubt their capacity for excellence.

"With respect to the Junior High School principalship, the committee has been acutely aware of the seriousness of the decision to be made as it would affect the town of Andover and incumbent principal. Your committee has been concerned about this appointment, not only this year but for several years past. It also agrees with the Andover Teachers Association that the heaviest weight should be placed on professional evaluation by those to whom the principal is professionally responsible. Attention is also called to the fact that the regulation quoted in their resolution dealt only with personnel already on tenure. Since in this case the principal was not on tenure, this regulation would have no bearing. Also, according to the General Laws, Chapter 71, Section 59, 'The Superintendent will recommend teachers, textbooks and courses of study'.

"At its meeting March 22, 1960 the matter was placed on the agenda by the superintendent, who was asked by the chairman for his recommendation. No recommendation was given. More importantly, the superintendent did not present any positive evidence of overall proficiency in this position.

"Accordingly, the majority of your committee felt there was no alternative but to take the position it did. The School Committee had, however, requested the superintendent

tendent to study and make recommendations as to the incumbent principal's reassignment to a position on the central administrative staff of the Andover schools. In taking these actions the majority of the committee has exercised its honest and best judgment with its responsibility to the town of Andover uppermost in mind."

## PERSONAL

Col. and Mrs. Seymour Gilman and their family are now living in their new home on Oriole dr. Col. Gilman, recently retired from the U. S. Army, is now an instructor at Raytheon School in Lawrence.

## Few Permits During March

Only one permit for a new home was issued during the month of March, according to Building Inspector Ernest N. Hall.

In a report to Town Manager Thomas E. Duff, he stated that one permit was given to Herbert F. Rines, 13 Smithshire Estate, with an estimated value of \$35,000.

Permits for additions and alterations were issued to the following:

Anna Loosigian, Lowell st., sash house, \$450; John J. Lamb, 449 Lowell st., tool shed, \$250; Johnny's Market, 43 Park st., addition to store, \$29,000; Robert Henderson, 84 Poor st., interior and exterior alterations, \$1,000; C.
